1. The following is an Examiner's Statement of Reasons for Allowance:

The prior art fails to disclose or suggest a sound compensation system that having a plurality of filters that simulate behavioral characteristic of a sonic reproduction device (i.e., speaker or loudspeaker), with each filter has an associated response corresponds to an individual component of the sonic reproduction device and is replaceable with a different filter having a behavior characteristic of another individual of the sonic reproduction device as recited and construed in claim 55. Updated search was conducted, however, no additional prior art was found that is suitable for the instant claimed invention.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
